NEED HELP ?

Every so often we find that we are in need of another pair of hands to help with something that has to be done. Most of the time tasks are quite simple, but some help is certainly needed and welcomed.

A Group of FFCOA residents has volunteered to answer calls from those in our Association who need assistance. They will provide help with such problems as:

- Replacing batteries in smoke detectors.
- Changing bulbs in light fixtures
- Turning the fireplace pilot on or off.
- Changing the storm door screen or window for the season.
- Removing or placing the deck/patio furniture
- Helping in other ways that they can.
- Offering advice for jobs requiring skilled tradespersons.

The volunteer group, “**Helping Hands**” includes the following list. Just give one a call if you need some help.

George & LoAnn Ditzler	268-9469
Jim Livezey	610-733-1148
Jerry Matcho	751-5128
Laurie & Tom Pierce	642-6717
Walter Yarrow	751-5267

Happy Birthday to all of our celebrants in December

Movies at the FF Clubhouse

Thanks to the efforts of Tom Pierce, the operation of the DVD/CD/TV players at the big room at the clubhouse has been solved. This can open the door for some great Friday night movie viewing in the future.

“NEBRASKA”

Nominated for 6 Academy Awards in 2014

Friday, December 12, 6:30 p.m.

Woody Grant (Bruce Dern) has received a letter from a publisher’s clearing house stating that he may have won a million dollars. Even though his son knows it is a scam to sell magazine subscriptions, Woody feels he has won and wants to collect the money. He decides to start walking from Montana to Lincoln, Nebraska.

His son, Will, agrees to drive Woody to the agency and along the way we are treated to their meeting with a number of characters and many adventures.

Feel free to bring your popcorn, candy and soda.

Our Salute to Those Who Served

On November 1, thirty-three residents attended a reception to pay tribute to the men and women of our community who served in the military.

As the people entered the clubhouse, they were greeted to the sounds of Sousa-style march tunes and Glenn Miller-style music. The room buzzed with plenty of conversation as the people noshed on an array of great appetizers, met some new friends, and viewed the pictures of the service men and women.

Some spoke to the gathering about their military experiences. Afterward, the party planners, Karen Matcho, Doris Halstead, and MaryAnn Campbell, called everyone to the dining area for some dessert that included cake, apple pie, and ice cream. Mildred Postma brought some of her special sugar-free cream puffs, and Don Cooper won the basket of 563 Tootsie Rolls with the closest guess.

Theresa Troegner, Don Cooper, John Famula, Stan Cantilina, Roy Grimm, Walter Yarrow, and Joe Sauro were the veterans in attendance.
